

EMERGENCY 430

The Emergency 430 is a range of versatile 'Box Sign' style, surface mounted exit sign luminaires. Offering a choice of either maintained or non-maintained integral emergency control gear and available in either single or double sided versions. The Emergency 430 utilises a T5 8W lamp and is available with a range of pictogram legends.

FEATURES

- 'Box Sign' luminaire allows immediate identification of escape routes
- Opal lower window to provide threshold lighting
- Available as either single or double side version with a range of pictogram legends
- Single sided version has rear BESA entry and keyhole fixings. Double sided version has top BESA entry and keyhole fixings
- Legend can be removed either end via removable end caps making the emergency 430 range suitable for close mounting into corners if required
- 3hr maintained or non-maintained versions available as standard
- White powder coat finish as standard - other colours are available to special order upon request
