

REAVER

The Reaver range of fully recessed luminaires offers a compact and attractive solution for emergency lighting requirements. Available with mains only, maintained or non-maintained integral emergency control gear, mounted on a hinged and removable geartray to facilitate ease of maintenance.

FEATURES

- Fully recessed luminaire with a robust housing requiring only 90mm of ceiling void and a cut out of 325 x 130mm
- All models incorporate a hinged and removable geartray and central BESA entry for ease of installation and maintenance
- Flame retardant polycarbonate diffuser available in either opal or prismatic
- Facia plates can be supplied in white powder coat, chrome or brass to ensure a neat and attractive finish
- Mains only versions and 3hr maintained or non-maintained versions available as standard
- An optional hanging blade style exit sign attachment is also available with a choice of pictogram legends
