

CORSO SURFACE

The Corso Surface is a range of luminaires specifically for use in multi-activity sports halls. The Corso Surface has been developed in conjunction with the Sports Council for use in multi-activity halls. The Corso Surface has been installed by the Sports Council at their National Water Sports Centre, Holme Pierrepont.

FEATURES

- Ideal for areas where even, low glare, light distribution is important
- Louvred option provides badminton players reduced levels of glare
- Excellent uniformity
- Hinged front cover for easy lamp access
- Excellent colour rendition (CRI Ra82)
- Dimmable option may be linked to daylight control
- Linear versions available
- Punched 1mm zintec steel grill protector
- 6 lamps versions are supplied with 2 separately fused circuits (one 2 lamp & one 4 lamp circuit) giving a choice of three illumination levels via 2 switch wires
- 4 lamps versions are supplied with 2 separately fused circuits (one 2 lamp & one 2 lamp circuit) giving a choice of two illumination levels via 2 switch wires
