

SQUASH CORSO

The Squash Corso is a range of luminaires specifically designed for squash courts. The Squash Corso has been developed in conjunction with England Squash (formerly Squash Racket Association).

FEATURES

- Designed in conjunction with England Squash specifically for squash courts
- Meets CIBSE LG4 (Sports) recommendations
- 1mm punched zintec steel protector
- Customised front wall luminaires (SC255) with semi-open end caps for increased uniformity
- Extra high purity aluminium reflectors for superior lighting efficiency
- Hinged front for easy lamp access
- Requires one person to maintain the fittings, whereas existing solutions require two people
- Integral emergency version available only on SC455
