

T5 MULTI CORSO

The T5 Multi Corso has been derived from the Multi Corso for use in multi-activity halls. Developed using T5 lamp technology, the T5 Multi Corso not only matches but exceeds the needs of international level sports, providing the perfect lighting for both single and multi-sport usage.

FEATURES

- Ideal for areas where even illumination of playing surface and high output with good vertical distribution are important. Where this is achieved, participation and enjoyment levels will increase
- Meets CIBSE LG4 (sports) recommendations
- Hinged grill protector for ease of installation and maintenance
- Extra high purity aluminium reflectors for superior lighting efficiency. These are also shaped to produce optimum uniformity
- Surface or suspension mounting for any installation requirements. CST4 kit required for surface mounting
- Shallow body means that where low level ceilings occur, the fitting is aesthetically appealing, whilst giving enough space for the free movement of any balls or shuttlecocks
- Punched 1mm zintec steel grill protector for superior strength against impact
- Excellent colour rendition (CRI Ra82)
- Dimmable option may be linked to daylight control
- Supplied with 2 separately fused circuits (one 2 lamp & one 4 lamp circuit) Giving a choice of three illumination levels via 2 switch wires

ORDER DETAILS

Order code	Description	Lamp Type and Rating	Gear	Weight (kg)
CS654T	T5 Multi Corso	6x54W T5	HF	11.5
