

TENNIS CORSO

The Tennis Corso is a range of luminaires derived in its design from the market leading Corso Surface and Corso XL products. The Tennis Corso compliments the rest of the Corso range as it is designed specifically for use in indoor tennis courts irrespective of the level of competition being played.

FEATURES

- Ideal for use in indoor tennis courts where uniform light distribution is important
- Extra high purity aluminium reflectors for superior lighting efficiency
- Uniformity of playing surface optimised with specially designed reflector shape
- Cost effective lamp maintenance with hinged front
- Dimmable versions available
- All versions utilise high frequency control gear allowing for flicker free operation
- Strength and durability from impact with punched zintec steel grill protector
- Uses the latest T5 lamp technology for high efficiency lighting
- Option of mounting on vertical or horizontal surface
